

SolarSystem::Testing
::Mocks::TimeMock::create
_test_scenario

```
graph LR; A["SolarSystem::Testing  
::Mocks::TimeMock::create  
_test_scenario"] --> B["SolarSystem::Testing  
::Mocks::TimeMock::set_time"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'SolarSystem::Testing', '::Mocks::TimeMock::create', and '_test_scenario'. The right box is gray with a black border and contains the text 'SolarSystem::Testing' and '::Mocks::TimeMock::set_time'.
