

SolarSystem::Testing
::TestCase

```
graph BT; UnexpectedPassTest --> SolarSystemTestingTestCase[SolarSystem::Testing::TestCase];
```

A UML class diagram showing an inheritance relationship. A light gray box at the bottom is labeled 'UnexpectedPassTest'. A blue arrow points upwards from this box to a white box at the top. The white box is labeled 'SolarSystem::Testing' on the first line and '::TestCase' on the second line. The white box has a thin black border, while the gray box has a thicker black border.

UnexpectedPassTest
